Procedures

Students must sign up for this week for the projects they would like to pursue.

- If contact information changes, you are responsible to notify your project supervisor.
- If your project changes, you are responsible to notify your past and future project supervisors.

Meet with your team and supervisor whenever required.

Your supervisor will contact you to arrange a meeting time.

Keep a record of your time on the Project Activity Log and submit to Todd's mailbox by Dec. 15th.

Evaluation

The grades for all of these courses will be pass/fail.

The grades will be based on the number of hours and the performance evaluation of your supervising professor.
